

Workplace Experience Scheme 2013-14

Through the liaison and effort of our past students, 24 F5 students were able to gain experience in the workplace from Jun 30 to July 4, 2014. Our gratitude to our past students and the following companies for offering placement opportunities:

- ❖ Caritas Integrated Family Service Centre
- ❖ Faithful Veterinary Hospital
- ❖ FTO CPA Limited
- ❖ Health Eco Beauty Ltd. / Purelands Coporation Ltd.
- ❖ Meiya Power Co Ltd
- ❖ New Page Communications Limited
- ❖ Prudential Hong Kong Limited
- ❖ Social Alliance Communications Consultancy
- ❖ Sung Tak Wong Kin Sheung Memorial School

Feedback from Students

Melody Fong at Prudential Hong Kong Limited

It has been my great pleasure to work in Prudential Hong Kong Limited for four days. Thank you for arranging such meaningful experience. I am indeed grateful for having this experience since being a personal assistant in a business company is one of my dream jobs. Miss Kimmy Tang and her daughter, Verena So has put a lot of trust in me. I have learnt much about the daily operation of a company, how the staff communicate with one another and many more. These skills may not be directly applicable by now but I have definitely explored more on my future career path.

The most valuable experience was joining the trial summer launch of Dialogue in the Dark experience in which we actually followed the company coordinator to Mei Foo and participated in the experience, witnessed the press event and photo-taking for press release. We had a better understanding on the routine work of a PR company and how it actually helps to organize different press events which is a precious activity. We have experienced how to walk and eat and feel in a completely dark environment. It was meaningful and unforgettable. It was a brand new experience for us. We would like to express my greatest gratitude to Debby Shing who taught us a lot about PR work in the past four days. The information is very useful and she is very kind and friendly to us.
