

21 May 2015

Dear Good Hoppers,

Cindy, an occupational therapist by profession, was graduated from Good Hope in 1972.

Not long after her retirement last summer, Cindy was diagnosed with brain cancer. After months of operations and treatment, Cindy was released home. She is now making steady progress in recovery. To share her life with fellow friends, colleagues and whoever interested in life, Cindy and her family and friends have put up a book "A life of elegancy".

A book party will be held on Friday 29 may 2015 at the Club House of Fairview Garden. A poster is attached herewith.

Please join us in wishing Cindy a steady recovery, and join her book party.

Yours sincerely,

June Teng
