Kick-off of GHSPSA Mentorship Program 2015-16 We Care, We Share

On 21 November 2015, the Mentorship Programme was successfully launched for the fourth year. We were happy more past students from different walks of life volunteered as our mentors. Thirty-six S.5 and S.6 students were matched to nineteen mentees. Most of the mentors were new to the Programme and were eager to share their experience at work and their personal life.

The Kick-Off Ceremony was held at St. Joseph's Hall. The Principal, Mrs. Laura Green and the Vice-Principal, Miss Grace Pow, attended the Ceremony and showed their support to the Programme. Some of our Mentors joined the Programme repeatedly and they expressed the joy in sharing with the "little sisters" and found the Programme very meaningful as they could help the mentees to meet the challenges they might encounter in their studies and everyday life.

Our salute and gratitude to our mentors:

Ann Ngan, Annie Chan, Catherine So, Chario Chan, Eunice Lee, Grace Wong, Jasmine Wong, June Teng, Lydia Wong, Mandy Sun, Maria Hui, Mario Ho, Nina Lee, Ophelia Chan, Pauline Tang, Queenie Lam, Regina Cheung, Tansy Yu, Vivian Yeung
