

14 March 2016

Dear Past Students,

Those were the days when we had so much fun listening to stories in literature classes. While we could read the books by ourselves anytime, there were just so many vocabulary and somehow the stories sounded more fascinating, and the characters more lovable, hateful, fearful, admirable ...when our teachers were doing the storytelling and commentary!

To make book reading more enjoyable and delightful, GHSPSA has the greatest pleasure to host our first on campus Book Talk featuring one of our most popular literature teachers, Mr. Dominic Lee. Leading a more quiet life after his retirement, Mr. Lee has kindly agreed to return to the campus and share with us two books that have caused changes in his life. The selected book titles are:

1. 1984 by George Orwell
2. 《阿 Q 正傳》 作者 魯迅

All past students are most welcome to join the talk. Apart from book sharing, there will also be a tea-gathering for you to catch up with your friends and other ex-schoolmates. Here are the event details:
