“Let Us Shine”

Dear Good Hoppers & friends,

“Let Us Shine” will light up The HK Academy of Performing Arts Concert Hall with heart-warming melodies to all who can really SEE through music.

Good Hope Singers will share the stage with visually impaired singers to perform in “Let Us Shine”, a charity concert to raise funds to purchase piano books especially written for the visually impaired for donation to the Hong Kong Society for the Blind and to Ebenezer School.

Come join us, hear, feel and SEE music with your hearts.

Kind regards,

Pauline Chung
Chair, Good Hope Singers
