ASSISTANCE NEEDED: Recruitment for Opportunities for Workplace Exposure for GHS F.5 students

Dear Past Students of GHS,

Your kind assistance in offering workplace experience opportunities for the F.5 students of GHS is being solicited. Through participation, it is hoped that the students will be exposed to the working world, gain first-hand experience and learn work ethics. It also hopes to empower the students to kick-start their education and career planning.

This year, the Scheme will be held from 27 to 30 June, 2016. Students will work for two or four full days (depending on the job openings) in a company.

The workplace experience can be arranged in different modes to suit the operational needs. The students may shadow the staff as the latter goes through a normal day on the job. Students can also be assigned some tasks to gain hands-on experience. The school will arrange insurance coverage for the participating students during the period.

Please complete the Reply Form in the link below before 10 April, 2016:

Should you have any enquiry, please contact Mrs. Eva Wong, Vice-chairperson of GHSPSA, at 9772 7232 or send your enquiry to evawongyeelo@gmail.com

Looking forward to your generous support and contribution to empower our juniors to stretch their potential.

Yours sincerely,

June Teng
Chairlady
