Sharing the news of the Good Hoppers' achievement in the 68th Hong Kong Schools Speech Festival

* * * * *

We were thrilled as we got news from students and colleagues, one after the other, that Good Hoppers were doing extremely well in the 68th Hong Kong Schools Speech Festival. Once again, our students have filled the festival with great enthusiasm, creativity and ebullience. We would like to express our heartfelt gratitude to all the English Panel members for their concentrated effort, tireless preparation and selfless dedication. It is really amazing to see what we can achieve when we pour our heart into something, even more so the joy it brings us! Thank you very much!
