Mock interview 16 December 2017

In the afternoon of 16 December 2017, sixty-two (62) S6 girls attended the Mock Interview Workshop organized by the Past Students' Association and the School's Careers Team.

Twenty-two (22) of our past students volunteered to prepare their fellow S6 Hoppers for their university interview. Most past students acted as interviewers for a mock interview while 2 experts, Grace & Lannie conducted a special session for the S6 girls on self-discovery and interviewing skills for JUPAS.

Students were divided into 12 groups for 2 sessions. While 6 groups were having their mock interview session with their self-introduction, group discussion and Q&A, the other 6 groups joined Grace & Lannie for the skills session. Then the sessions were swapped.

Special thanks to Ms Grace Siu, Career Development Programme Instructor and Career Advisor of HKUST. Grace through a card game helped the students to get to discover their qualities and thus better prepare for their self- introduction and career choice.

Special thanks to Ms Lannie Lee, a PhD candidate in Business Management, an active member and instructor for HKIHRM, a BBA JUPAS assessor for HKBU. Lannie conducted a 30-minute session on interviewing skills and appropriate behaviours with all participants.

Our sincere gratitude to the following past students who offered their expertise and time for the Mock Interview:
